EXPERIENCE

UX DESIGNER | TRIPSLIP

June 2026 - Present

- Leading the design of TripSlip, a K-12 field-trip management app
- Delivered 17+ new screens and refined existing flows in Figma, including trip roster, digital permission-slip records, payment dashboard, and multilingual parent views

UX DESIGNER | CHIP MOTORS

June 2026 · Contract

- Led the pre-launch website redesign for an electric Life Utility Vehicle startup, rebuilding site architecture to 9 pages

UX & PRODUCT DESIGNER | MOTMOT

October 2025 - May 2026

- Grew monthly website engagement from 280 to 1,600+ users through SEO and heatmap analysis.
- Built 4 internal dashboards and reporting tools; managed 3 social accounts and produced photography.

UX RESEARCH ASSISTANT | UNIVERSITY OF MICHIGAN

May 2025 - September 2025

- Evaluated infotainment systems across 13 vehicles for UMTRI, analyzing 50+ UI components for usability compliance.
- Prototyped inclusive in-vehicle interfaces and mentored 2 engineering interns.

UX DESIGNER | BRIDGESTONE

September 2024 - May 2025

- Researched 5 fleet-management tools through executive interviews and usability tests, surfacing integration gaps and improving maintenance workflow efficiency ~40%.

AWARDS

HACKATHON WINNER | THINK TECHNOLOGIES

August 2026

- Winner of first Think Technologies hackathon competition

CAPSTONE WINNER | UMSI DESIGN EXPO

May 2025

- Recognized for Best UX Prototype in the field "Future of Work"
